Named "Good Samaritans"

Mr. and Mrs. Norman Campbell, owners of Campbell's Store near Promise Land, have recently been named "Good Samaritans" for a week by Radio Station WBRG. The names of this couple were submitted by Mrs. Otis Goin.

They were chosen by Mrs. Goin on account of the many, many acts of kindness done by this couple for all neighbors and friends and customers. They are continually remembering shut-ins and people in need of help. According to Mrs. Goin, "the Campbells have helped make our neighborhood a more friendly and better place to live. We all love and respect this generous and thoughtful family. I really think they deserve an award! If we had more people like this family, we'd really have a wonderful world to live in. I'm proud to know and to deal with them. Thank You!"

VBS At New Hope In June

This week we will give you some of the details of our Bible School at New Hope on June 17-21. If you are really interested (and we hope you are) in knowing something about the teachers and the daily program, listen to our pastor's announcements each Sunday, watch for Betty's and Suzanne's bulletin boards, and read your **Times-Virginian** each week.

Again the VBS will consist of five departments: Nursery. Three year olds, younger children, old children, and youth. Each department has an excellent faculty who we'll be telling you about later.

Mrs. Dora Conner, Mrs. Mary Wooten, Mrs. Rose Anthony and Miss Amy Christian will look after our nursery group. If you feel a deep need to have a lovely lady rock you gently or sing you a soothing lullaby, come into our nursery! And when refreshment time comes, you get "room service."

Once more we are planning a special group for the three-year olds under the watchful eyes of Sheila Torrence, Page Garrett, Mary Ellen Watson, and Nancy Jamerson. The teaching staff is using the book "Learning the Bible" which gives helpful suggestions on how to present Bible stories to sing, and how to do the rest periods.

Mrs. Ruth Holliday will take care of all of our money in capable fashion. She will have a schedule so that everyone knows exactly when and where its music period or singing will come to their room.

We'll see you next week . . . same time, same place!
